Prospect Road is widely recognised as one of Adelaide's most successful inner north urban corridors, characterised by strong residential density, high frequency public transport, and an established café, retail and lifestyle culture.

Located approximately **5 kilometres north of the Adelaide CBD**, Prospect continues to attract sustained private and government led investment, with numerous multi-storey **apartment and mixed use developments completed or underway** along Prospect Road and within the broader suburb. These projects have reinforced the corridor's transition toward higher density residential living supported by activated ground floor commercial uses.

220–224 Prospect Road, Prospect offers a rare combination of **immediate income security and long term development upside** within a corridor that has already demonstrated its capacity for successful urban renewal. With strong exposure, scale, access and planning alignment, this is an opportunity to secure a **future focused landholding** supported by a resilient tenancy base in one of Adelaide's most sought after inner north locations.
